Hon. W. W. Vivian
Sir R. J. Williams

REPORT OF THE GENERAL COMMITTEE TO THE GOVERNORS FOR THE YEAR 1927.

The Committee are again able to report a year of strenuous and useful work with a record number of in-patients.

The enlarged and remodelled hospital has been in full use for the whole year and the better facilities for the treatment of patients and the comfort of the Staff are much appreciated by those engaged in the work of the Hospital.

At this stage it may be appropriate to compare the position of the year 1902, a quarter of a century ago, with that of the year 1927. The year 1902 showed 178 in-patients while in 1927 the number had risen to 917. The number of beds at the earlier period were 40, whereas at the present time there are 90.

Turning to the financial position the expenditure has increased from £1,473 in the year 1902 to £6,234 in the year 1927. Fortunately the receipts have shown great expansion, having risen from £1401 in the earlier year to £6,027 for last year.

This record justifies, it is submitted, the courage of the Committee in their advocacy of a policy of expansion. It is true that the financial position is still, as in the past, a cause for anxiety, more particularly in connection with the large overdraft due on the Building Fund, but the Committee is confident that the public on fully realising the great value of the work will not be backward in their support.

An important item on the receipt side for the past three years has been the large sum contributed through the Hospital Aid Committees as organised by Mr. T. F. Dargie, which for the year 1927 reached the large sum of £1,560. The Committee greatly values the help given by the members of these Committees and hears with pleasure that a great effort is being made to increase this support from Caernarvonshire. The Mayor of Bangor, to whose zeal the Infirmary is indebted for a substantial financial assistance during the year 1927, hopes to organise quite shortly a weekly contribution scheme among workmen in the city. Such a scheme will benefit the funds of the Hospital while it will give free admission to the contributor when in need of hospital treatment.

The new Linen Guild, an extension of the former Bangor Guild, and which now comprises practically the whole of Caernarvonshire and Anglesey, gave at the close of the year an interesting exhibition of welcome gifts, over 1,000 articles having been received, together with £147 in donations. The supply so received will, it is hoped, cover requirements for the greater part of the year.

The Committee has been reminded that with the development of a modern Hospital it is not possible to stand still. There must be movement forward if the sick and suffering of the district are to benefit by the most recent advances in scientific and medical work. Reference is made to this point as attention has been drawn to the out-of-date condition of the X-Ray installation. The Committee have now the advantage of the advice of Professor Edwin Owen, of the University College, Bangor, in considering the matter, and on his recommendation it has been decided to purchase a new plant together with a couch and screening stand. The total cost of this will be little short of £1,000 and the Committee earnestly hopes that the friends of the Hospital will come forward with financial assistance.

The Hospital is in need of departments for Sun Ray and Electrical Massage treatment, but unfortunately the debt of £6,000 on the New Buildings' Fund delays the setting up of these departments.

The important question of the training of the Nurses has arisen and the Committee has been in communication with the General Nursing Council in the hope that the Infirmary will be recognised as a Training School for Nurses. The Council was prepared to consider the Hospital as suitable except in one aspect, viz., that the medical cases as contrasted with the surgical cases treated were not sufficiently numerous to justify a grant of recognition. An endeavour is being made to get over this difficulty by combining with another hospital so as to meet the requirements of the Council.

During the year death has removed the President of the Infirmary, the Right Hon. Lord Penrhyn. The Committee on hearing the news passed a resolution expressing their deep sympathy with Lady Penrhyn and the members of her family in their bereavement. The Committee are assured that the Governors will fully support this course.

The Hon. Staff suffered a loss in the resignation of Dr. D. W. Fenwick Jones, who left Bangor to take up an important appointment, while Mr. C. V. Taylor has resigned his position on the House Committee. The thanks of the Governors are due to both these gentlemen for the work and assistance rendered to the Hospital.

The organisers of the Saturday Hospital Movements have again given ungrudging labours to carrying on these collections, and to them and the numerous helpers of the Hospital Aid Committees the warmest thanks are due for their devoted services.

The thanks of the Committee are due to the organisers of the Ball held at the University College in December last as the result of which it is hoped the sum of £500 will be handed over to the Infirmary, and it is gratifying to know that there is every likelihood of the Ball being an annual event.

The weekly provision hampers of vegetables, etc., are much appreciated, and the donors are warmly thanked for their kind gifts.

As in former years the Committee wishes to remind the Governors of the valuable services of the Hon. Medical Staff and the permanent Staff, without whose faithful work the Hospital could not be maintained.

The table showing the annual number of in-patients since the year 1900 is as follows :—

1900	117	...	1910	167	...	1919	414
1901	149	...	1911	221	...	1920	402
1902	139	...	1912	222	...	1921	473
1903	121	...	1913	250	...	1922	471
1904	165	...	1914	280	...	1923	536
1905	187	...	1915	349	...	1924	616
1906	162	...	1916	358	...	1925	759
1907	178	...	1917	400	...	1926	786
1908	194	...	1918	418	...	1927	917
1909	205	...
